

# U18 TRIALS

## AFC DUNSTABLE U18 - SOUTHERN COUNTIES YOUTH FLOODLIT FOOTBALL LEAGUE

### 2021-2022 Season

Year 11 players who want to play football at one of the highest standards outside the professional academy system are invited to trial for our U18 squad. We play in the Southern Counties Youth Floodlit League, a highly competitive league where an excellent standard of football is played week in week out.

Whether you have recently left a professional academy or want to make the step up to a semi professional club, our U18 squad forms part of our 1st team Development Structure with our focus on providing excellent coaching and facilities to provide opportunities for some players to progress to our U23s and into our 1<sup>st</sup> team playing at Step 4 in the Southern League Central Division and potential progression to higher levels.

The U18 matches will be played on the main pitch at Creasey Park Football stadium on a Thursday night. Training is on a Tuesday evening on our 3G. We will be arranging trial based training sessions and friendlies in the upcoming weeks.
